O R D E R:-

In the G.O. 1st read above, Government have issued certain revised guidelines/rules for effecting transfers of internees both for MBBS /BDS from one institution to another institution within the State and also from outside the State, subject to the certain conditions stipulated thereon.

2. In the letter 2nd read above, the Director of Medical Education has informed that Government have fixed the number of seats of internees at various Government Medical Colleges/ Hospitals in the State in the G.O. 1st read above; that during the past 8 years, the number of MBBS Seats has been enhanced as some new Government Medical Colleges and also some Private Medical Colleges were established; that as such there is enormous increase in the transfer requests of internship from one medical college to another medical college within and out side the State.

3. She has further stated that there is a heavy demand for the Medical Colleges in twin cities, especially for Gandhi Medical College / Gandhi Hospital, Secunderabad and Dental College & Hospital, Hyderabad and receiving many requests from the public representatives that their requests could not be considered due to non-availability of vacancies at Gandhi Hospital, Hyderabad.

4. A number of MBBS students studying in private and Government Medical Colleges have applied to DME to provide facility of one year internship in Gandhi/Osmania Hospitals at Hyderabad after completing MBBS course. The request is guided by the opportunity of clinical examination of a large number of patients available at Osmania / Gandhi Hospitals and the quality of clinical material. The intake capacity can be enhanced in view of the expansion of bed capacity of these hospitals, and starting of Aarogyasri wards and Dialysis centers. Additional internees in Government Hospitals will help in better patient care and OP clinics. There is no financial commitment on the part of the Government. Internees on transfer for other institutions are required to pay requisite fee to the Hospital Development Society as prescribed in the G.O. first read above.
